A Message from the President

Dear Fellow BANY Members,

It is a pleasure to welcome new and continuing members of the Bus Association of New York to our *2015–2016 Membership Directory.* Our association continues to promote motorcoach travel, safety and compliance as well as the varied interests of both our motorcoach operators and associates. BANY has become one of the leading state associations in the industry, and you have made an astute professional and business decision to be one step ahead of non-member competition.

BANY reaches its members in a number of ways. You receive our "Friday Flash" – an email publication sent every week to keep you updated on the latest concerns and topics in our industry. Our annual fall meeting and marketplace is October 25–27 at the Villa Roma Resort and Conference Center in Callicoon, New York, located in New York's beautiful Catskill Region. This event provides an opportunity to attend seminars, be a part of the marketplace exchange and network with fellow members at other meeting events. This meeting continues to increase in participation every year. And, BANY is only a phone call or email away for any questions, issues or concerns that you as a member may have.

Over the last two years, the board of directors has focused on the continued growth and strength of our association. It is exciting to say that our membership has grown and our prominence in the industry is on the rise. These achievements are due to the hard work of BANY members. A "thank you" to all of you for supporting our association. It is the strength of its members that makes an association all that it can be.

This new membership directory offers a comprehensive list of members. Please support fellow BANY members for services, products, travel opportunities and charter services when needed.

Thank you for your support of BANY by being a member. Growth, industry alliances, commitment to excellence and association strengths depend on everyone's involvement. Interested in becoming more active in BANY? Feel free to contact our Executive Director, Tammy St. Louis.

I am honored to serve as BANY's president. If I can be of any assistance, please do not hesitate to contact me. Let's keep our successes rolling.

Thank you – and welcome.
